

29th September 2011 Newsletter

B.I.G. Club - Y6 B.I.G. Club has got off to a fantastic start this year, with discussions about how God shields us, calming us when we feel worried and forgiving us if we do wrong. The Club leaders came up with an innovative idea for illustrating the concept and the Y6s had a great time. The start of the year seems to be a good opportunity for thanking the leaders and Mrs Platts for their outstanding contribution to the spiritual well being of our children.

Parent Handbook - The parent handbook and prospectus have now been updated and are available on the website. Please note pages six and seven in the handbook which detail the parent consent form and the school privacy notice. One of the school development teams will be producing a new handbook for parent/carers this year. If you think of anything not currently included that would be helpful, please let us know.

Gardening Club Bulb Sale - The new school Gardening Club will be holding a bulb sale in the playground, outside Year 1 on Friday 30th September from 3pm onwards. There will be a beautiful selection of super quality spring flowering bulbs; tulips, narcissi, crocus, ready to plant now, all with detailed planting instructions, and advice on hand. The proceeds will go to the PTA and to help support the children's Gardening Club. We hope that you will come along and fill your garden with flowers whilst supporting the Club. Also, please don't forget this Friday is the last day to put in your order for bulbs from the Suttons Fundraiser Catalogue, sent home with the children recently, for spring bulbs, summer fruit and veg.

Harvest Festival - This is coming up fast and will be taking place next Friday. There will be a service at school for Reception and Year 1 at 9.15am. All of the donated items will be laid out for the children to see and parents/carers/grandparents are warmly invited. Straight after this we ask for car drivers to help to take the donations up to St. Mary's, where they will be displayed ready for the Y2 to Y6 Harvest Service there at 2pm and the church services on Sunday 9th October. Again

parents/carers/grandparents etc. are warmly invited and this is one of the highlights of the year for us.

Our donations go to two fantastic causes, the Wood Street Mission and the Booth Centre in Manchester and this school has a strong tradition of supporting these organisations. The Wood Street mission has a Christmas focus, making up hampers for local families in need. Each family will receive a substantial food hamper which will **include non-perishable items of tinned fish or meat, fruit, vegetables, pasta or rice, soup, tea or coffee, biscuits, pudding, chocolates and one or two luxury items.**

The Booth Centre in Manchester uses our donations to make sandwiches, breakfasts and evening meals for people who are homeless. As well as the items listed above, there is also a need for **cereals, sugar, sauces, mayonnaise, jams and pickles.**

Harvest Services

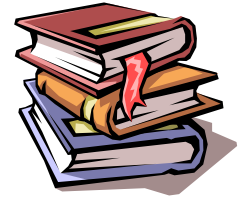

St. Peter's	10am	Sunday 2 nd October
St. Mary's	10.45am	Sunday 9 th October (Hotpot Supper 7.45pm after choral evensong)
St. Luke's	11am	Sunday 9 th October (Bring and share lunch following the service)

Lost and Found - Some keys have been found on the playground. They have two fobs, a black coin holder and a brown leather one with a tree on it. There are three keys and the key ring is attached to a brown and white spotted scarf. If these are yours, they are in the school office.

This is the last chance for the person who left their pushchair at the Summer Fair to claim it before we donate it to a local charity next week.

Data Collection Sheets - These are now overdue and this could mean that if your child is ill or has an accident, we would be unable to contact you. It is a statutory requirement for us to update this information which means that if any are not returned then valuable staff time has to be spent in chasing them.

Denzell Gardens Book Festival for Young People and Families - A very exciting afternoon is taking place at Denzell Gardens this Saturday. Join some of the country's finest writers for children and young adults (Y4 upwards) from 12pm – 4pm, £3 payable on entry. For more information please see www.denzellbookfest.wordpress.com

Choir girl success - Congratulations to Lucy Allan who has successfully auditioned for the Hallé Children's Choir. This is a fantastic achievement, well done Lucy! 😊

Bumpeez - Unfortunately, as with most current crazes, Bumpeez are causing a lot of problems in school and we have therefore had to ban them. Please ensure that your child does not bring any to school as from today.

Water bottles – Please ensure that your child has a water bottle in school, Y1 – 6 can fill it from the water stations and Rec. can bring their own for lunchtime, using the classroom water fountains during the day. At the moment a lot of children are 'sharing' cups and bottles and this is not helping with the control of viruses.

Junior Homework – next week no homework will be set for handing in during parents' evening week. Please ensure that your child does plenty of reading and tables practise during this busy time.
