## Summer 2022

This was the first year since 2019 where statutory assessment tests and teacher assessments took place for our Year 2 and Year 6 children.

2022 was the first year of BCS having a 90-strong cohort in Year 6.

Nationally, there was a decline in results which indicates the impact of the pandemic, and our results reflect this.

That said, attainment at both KS1 and KS2 in all subjects was significantly above national and in the highest 20% of all schools in 2022. Our KS2 progress in the majority of areas was also significantly above national results and in the highest 20% of all schools.
